Vape Carts

Sativa Strains:

Super Lemon Haze

Available in 1ml & 0.5ml

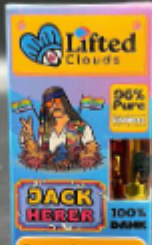

SuLH delivers a zesty, citrusy flavor akin to lemons and candy, paired with energetic effects less suitable for naturally high-strung individuals.

Durban Poison

Available in 1ml & 0.5ml

Durban Poison, a pure sativa from Durban, SA, renowned for its sweet aroma and energizing effects, perfect for staying productive, enjoying the outdoors, or sparking creativity.

Jack Herer

Available in 1ml & 0.5ml

Jack Herer, a sativa dominant strain, blends Haze, Northern Lights, and Shiva Skunk genetics for a potent cerebral high, named after the renowned marijuana activist and

Strawberry Cough

Available in 1ml & 0.5ml

Strawberry Cough, a potent sativa strain, offers skunky berry flavors and uplifting euphoria, perfect for stress relief.

1ml - R1000

0.5ml - R500

Indica Strains:

Sunset Sherbit

Available in 1ml & 0.5ml

Sunset SHERBIT, a fruity blend of Purple Punch, Mandarin Sunset, and Mandarin Cookies, offers a calming high ideal for relaxation without excessive drowsiness.

Purple Punch

Available in 1ml & 0.5ml

Purple Punch, a delightful blend of Larry OG and Granddaddy Purple, offers a fruity aroma and potent effects that start in the head before easing into the body.

London Pound Cake

Available in 1ml & 0.5ml

London Pound Cake, or "Pound Cake," an indica-dominant strain, provides a smooth and relaxing high with a sweet and spicy flavor, stemming from Sunset Sherbit and a powerful indica blend.

Cherry Fritters

Available in 1ml & 0.5ml

Cherry Fritter, a hybrid of Cherry Pie and Apple Fritter, offers an uplifting experience and relief from symptoms like depression, pain, and insomnia, with apple, tropical, and berry flavors.
